GLADIATOR

To become the greatest Gladiator of all time you, Marcus of Massina, must fight your way to freedom. Otherwise death comes quickly!
After years in the Arena you are challenged by the Emperor's champion to the fight of the century. This crucial contect will have only one outcome - Thumbs up from Emperor Nero means you are now the Champion and allows you to buy your freedom - Thumbs down means certain death.
Gladiator is without doubt the most brilliant combat simulation - you will be amazed by the lifelike figures - they're truly remarkable.
The effect of this game may take years off your life!

FEATURES

1. Choose from the Armoury of 45 weapons. 2. Master your joystick or keyboard - there's 16 different moves in all. 3. Throw your weapons and pick them up before your opponent lunges at you. 4. One or two player modes.

Screen shots from the Spectrum 48K
